

EVO LCD Plate

Evolution Control Plates are supplied with MK Aspect screwless fascia plates. Several finishes are available from stock including Brushed Stainless Steel, Polished Brass, Polished Chrome and White.

The action/operation of each button can be individually configured to allow selection of lighting scenes, operation of blinds, commands to RS-232 devices or any combination of these features.

The LCD graphic display enables the user to add descriptive text for the button operations.

Key Features

- » Twin gang plate with graphic LCD display.
- » Stylish screwless fascia plate utilising the MK Aspect range.
- » Buttons available in either black or white.
- » Multi function button action - Scene Recall, Impulse and Toggle.
